END-TO-END HOME INTERIOR DESIGN SERVICES

At Anagha Spaces, we deliver budget-friendly home interiors that meet your aesthetic preferences and enhance your living space's functionality.

TRANSFORM THE FEEL OF YOUR SPACE WITH THE MOST DURABLE BUILDING MATERIALS

Double Charge Tiles

Double-charge tiles are thicker, more durable, and resistant to stains and scratches making them the best flooring choice for your new home. During tile installation, we use high-quality adhesive to securely bond tiles to different surfaces, ensuring they stay in place for longer.

Paints

We utilize durable, long-lasting paints to create exceptional interiors elevating your living space. We offer a 3-step paint process that involves two coats of putty, one coat of primer and two coats of Nerolac Paints.

Wood Work

Transform your home's interiors with the cost-effective, customizable, and eco-friendly qualities of particle board. Particle Board creates a stable structure that maintains its shape and dimensions over time.

WHY CHOOSE ANAGHA SPACES FOR YOUR HOME'S INTERIOR DESIGN?

Cost-Effective Home Interiors

We offer accessible, aesthetic and Cost-Effective Home Interiors for 2BHK Flats in Hyderabad.

100% Transparency

We work closely with each of our clients keeping them updated through every stage and progress of the project.
